Subpart C—Enforcement

§ 140.5 Overview.

This subpart sets forth the enforcement procedures applicable pursuant to § 140.4 to the various types of covered individuals and entities with respect to covered assistance. Section 140.6 establishes the procedures applicable to foreign government entities, including any such entity that is covered by the definition of a “foreign state” set forth in the Foreign Sovereign Immunities Act, 28 U.S.C. Sec. 1603(a). Section 140.7 establishes the procedures applicable to multilateral institutions and international organizations. Section 140.8 establishes the procedures applicable to recipients of scholarships and fellowships and participant trainees. Section 140.9 establishes the procedures applicable to non-governmental entities. Section 140.10 sets forth additional procedures applicable to intermediate credit institutions. Sections 140.11 through 140.14 contain general provisions related to the enforcement process.

§ 140.6 Foreign government entities.

(a) *Determination Procedures.* (1) The Country Narcotics Coordinator shall be responsible for establishing a system for reviewing available information regarding narcotics offense convictions and drug trafficking of proposed assistance recipients under this section and, except under the circumstances described in § 140.6(a)(6), determining whether a proposed recipient is to be denied such assistance or other measures are to be taken as a result of the application of FAA Section 487.

(2) Prior to providing covered assistance to or through a proposed recipient, the agency providing the assistance shall provide the Country Narcotics Coordinator in the country in which the proposed recipient is located or, as appropriate, where assistance is to be provided, the information specified in § 140.6(a)(3) in order that the Country Narcotics Coordinator may

carry out his or her responsibilities under this part.

(3) In each case, the agency proposing the assistance shall provide to the Country Narcotics Coordinator the name of each key individual within the recipient entity who may be expected to control or benefit from assistance as well as other relevant identifying information (e.g., address, date of birth) that is readily available. If a question arises concerning who should be included within the group of key individuals of an entity, the agency providing the assistance shall consult with the Country Narcotics Coordinator, and the decision shall be made by the Country Narcotics Coordinator. If the agency proposing the assistance disagrees with the Country Narcotics Coordinator's decision regarding who should be included within the group of key individuals, the agency may request that the decision be reviewed by the Assistant Secretary of State for International Narcotics and Law Enforcement Affairs in consultation with other appropriate bureaus and agencies. Any such review undertaken by the Assistant Secretary of State for International Narcotics and Law Enforcement Affairs shall be completed expeditiously.

(4) Within fourteen calendar days after receiving the name of a proposed recipient and other relevant information, the Country Narcotics Coordinator shall determine whether any available information may warrant withholding assistance or taking other measures under this part, based on the criteria set forth in § 140.6(b). If, during that period, the Country Narcotics Coordinator determines that available information does not so indicate, he or she shall notify the proposing agency that the assistance may be provided to the proposed recipient.

(5) If, during the initial fourteen-day period, the Country Narcotics Coordinator determines that information exists that may warrant withholding assistance or taking other measures under this part, then the Country Narcotics Coordinator shall have another fourteen calendar days to make a final determination whether the assistance shall be provided or withheld or such other measures taken.

(6) A decision to withhold assistance or to take other measures based on information or allegations that a key individual who is a senior government official of the host nation has been convicted of a narcotics offense or has been engaged in drug trafficking shall be made by the Assistant Secretary of State for International Narcotics and Law Enforcement Affairs, or by a higher ranking official of the Department of State, in consultation with other appropriate bureaus and agencies. For the purpose of this part, "senior government official" includes host nation officials at or above the vice minister level, heads of host nation law enforcement agencies, and general or flag officers of the host nation armed forces.

(b) *Criteria to be Applied.* (1) A decision to withhold assistance or take other measures shall be based on knowledge or reason to believe that the proposed recipient, within the past ten years, has:

- (i) Been *convicted* of a narcotics offense as defined in this part; or
- (ii) Been *engaged* in drug trafficking, regardless of whether there has been a conviction.

(2) Factors that may support a decision to withhold assistance or take other measures based on reason to believe that the proposed recipient has been engaged in drug trafficking activities within the past ten years when there has been no conviction of such an offense may include, but are not limited to, the following:

- (i) Admission of participation in such activities;
- (ii) A long record of arrests for drug trafficking activities with an unexplained failure to prosecute by the local government;
- (iii) Adequate reliable information indicating involvement in drug trafficking.

(3) If the Country Narcotics Coordinator knows or has reason to believe that a key individual (as described in § 140.6(a)(3)) within a proposed recipient entity has been convicted of a narcotics offense or has been engaged in drug trafficking under the terms of this part, the Country Narcotics Coordinator must then decide whether withholding assistance from the entity or taking other measures to structure

the provision of assistance to meet the requirements of section 487 is warranted. This decision shall be made in consultation with the agency proposing the assistance and other appropriate bureaus and agencies. In making this determination, the Country Narcotics Coordinator shall take into account:

- (i) The extent to which such individual would have control over assistance received;
- (ii) The extent to which such individual could benefit personally from the assistance;
- (iii) Whether such individual has acted alone or in collaboration with others associated with the entity;
- (iv) The degree to which financial or other resources of the entity itself have been used to support drug trafficking; and

(v) Whether the provision of assistance to the entity can be structured in such a way as to exclude from the effective control or benefit of the assistance any key individuals with respect to whom a negative determination has been made.

(c) *Violations Identified Subsequent to Obligation.* The foregoing procedures provide for a determination before funds are obligated. If, however, subsequent to an obligation of funds an assistance recipient or a key individual of such recipient is found to have been convicted of a narcotics offense or to have been engaged in drug trafficking (e.g., the head of a recipient entity changes during the course of an activity and the new head is found to have been engaged in drug trafficking), appropriate action should be taken, including, if necessary, termination of the assistance. Agreements shall be written to permit termination of assistance in such circumstances.

§ 140.7 Multilateral institutions and international organizations.

Assistance provided to or through multilateral institutions or international organizations is subject to this part as follows:

- (a) Where the government agency providing assistance has reasonable grounds to suspect that a recipient multilateral institution or international organization may be or may
